

The Fillmore train gives you a window into the past of Southern California. This is what Southern California used to look like before there were miles of houses and shopping malls.

Today, visitors can board the Fillmore and Western historical train in Central Park, next to stately City Hall, and enjoy a leisurely, scenic ride through lush citrus groves and farms of the Santa Clara River Valley.

Lunch will be served on the train.

Date: Sat May 13
 Cost: \$98.00
 Depart: 9:30 a.m.
 Return: 6:30 p.m.
